Ocean Ridge Biosciences
The Brightest Spots in the Business

Phone: 561-427-7845 **Cell:** 561-427-5548
E-Mail: array@oceanridgebio.com
Shipping Address: Ocean Ridge Biosciences
10475 Riverside Dr. Suite 1
Palm Beach Gardens, FL 33410

This checklist is for tissue samples to be processed for protein extracts.

Customer Name		PO Number	
Customer Phone		Shipment Date	
Customer E-Mail		Fed Ex Account for sample return	
Shipping Return Address			

Dissected tissue fragments can be up to 5mm cubed (~150 mg) per sample. Please contact ORB about larger fragments.
Sample should be flash frozen in liquid nitrogen and transferred to 1.5 ml centrifuge tubes.
Please indicate whether your samples are flash frozen or are in RNALater? (F or R)

***Please fill in the sample group information to be used for statistical analysis purposes.**
